

Get Paid \$10 per Ton to Purchase Carrier Rooftop Units!

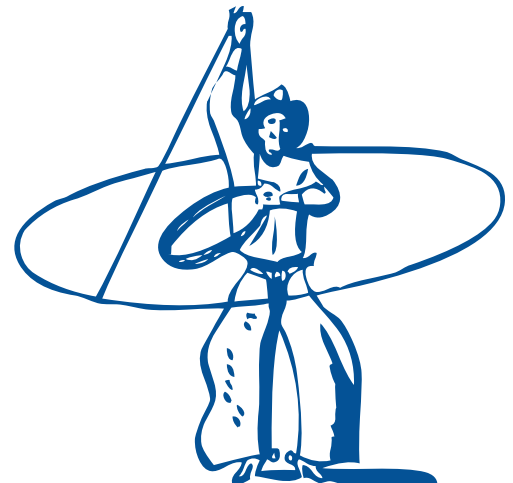

1. Purchase a 3–27.5 ton Carrier commercial packaged rooftop unit from Mingledorff's stock for a replacement/retrofit project.
2. For 3–12.5 ton RTUs, you must install an adapter curb along with each new replacement RTU.
3. For 15–27.5 ton RTUs, install the new replacement RTU only.
4. File a claim form provided by your sales person along with the new unit(s) invoice with sales.admin@mingledorffs.com

Example

Purchase a 10 ton packaged rooftop unit along with an adapter curb, install it, and submit your claim form along with a copy of your invoice and you'll receive a check for \$100. Purchase a 20 ton packaged rooftop unit, install it, and submit your claim along with a copy of your invoice and you'll receive a check for \$200.
